

## **First Steps**

### **Birth-2**

First Steps is Missouri's Early Intervention system that provides services to families with children, birth to three years of age, with disabilities or developmental delays. The program is designed to meet the needs of families related to enhancing their child's development, learning, and participation in family and community life.

For additional information about First Steps, please call toll-free at **1-866-583-2392**.
