I wish to participate in Clinton County School A+ Program. **Assuming state funds are available**, I will receive reimbursement for my unpaid balance of the cost of tuition to attend a Missouri public community college or vocational/technical school, after federal post-secondary financial assistance funds have been applied. <u>Funds to pay these tuition incentives will be paid by the State of Missouri, not the Clinton County School District, PROVIDED state funds are appropriated by the Missouri General Assembly. I understand that if I successfully complete the requirements and graduate with A+ certification, that the tuition incentives may be available to me for a period of forty-eight (48) months after completion of high school course work, receipt of an associate's degree, or completion of 105% of the hours required for the program in which the student is currently enrolled..</u>

This is on condition that I meet **all** the following requirements:

- > I have a signed, copy of the A+ Participation Agreement on file in the A+ office
- > I have attended a designated A+ School for three (3) consecutive years prior to graduation
- ➤ I graduate from high school with a cumulative GPA of 2.5 on a 4.0 scale
- ➤ I have at least a 95% attendance record for the four (4) year period
- > I perform at least fifty (50) hours of approved, unpaid tutoring of younger students
- Achieve a score of proficient or advanced on the official Algebra I end of course exam, or attain a qualifying score on an approved standardized test.
- > I maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol
- Register for Selective Service, if applicable (Individuals required to register with the Selective Service must do so to be eligible for state-supported scholarships and programs for financial assistance for post-secondary education)
- Make a good faith effort to first secure all available federal post-secondary student financial assistance funds that do not require repayment (FAFSA)
- > I have filled out the FAFSA (opens October 1st) and given the confirmation email from FAFSA to the A+ coordinator.

In order to maintain eligibility during the four (4) years after high school, the student must:

- > Have enrolled and attended on a full-time basis a Missouri public community college or vocational-technical school
- > Maintained a grade point average of 2.5 or higher on a 4.0 scale; and
- Made a good faith effort to first secure all available federal post-secondary school financial assistance funds that do not require repayment (FAFSA)
